The Board of Education respectfully asks the City Council to levy a tax of 25 cents for the maintenance of the Public Schools of the city of Maysville.

R. A. COCHRAN, Chairman Finance Committee Board of Education.

Following building permits were granted:

Christian Hunsicker, Second street, Sixth Ward, one-story frame cottage.

Ellen A. Piper, Second street, Sixth Ward, two-story addition to residence.

John T. Martin, Fourth street, Fourth Ward, wagon shed.

Elmora Station, Hall alley, Fifth Ward, two-room addition to residence.

Mr. George Goggin was granted Auctioneer's license.

The suit of Mr. George Goggin against the city is settled. It only cost the city \$25.00.

Scott's Chapel, colored M. E. Church, was donated \$5 and Y. M. C. A. \$3 for licenses paid.

The matter of getting crushed rock from the C. and O. Railroad was brought up, and Mr. Crowell reported that it would cost 60 cents a cubic yard and 40 cents a ton for hauling—about \$15 a carload. The Maysville Cemetery Company got it for \$6 from the Railroad Company. Had the honorable solons voted fair with the Railroad Company the city could have gotten the crushed rock for the same money.

The \$100 received from the sale of the Amazon Fire Company's engine was ordered turned over to the Company.

The city will have to wait another month for clear water.

The merchant's liquor license of Mr. I. N. Foster was transferred to Messrs. Brees & Aikens, who in turn petitioned for a coffee-house license, which was granted. They surrendered their merchant's license.

The Assessor's book was presented to Council, and is now in the hands of the City Clerk.

Canceled bonds and coupons to the amount of \$6,857.50 were presented to Council and destroyed.

Mr. W. S. Watson asked the city to release the lien on their property at Fourth and Market, which was done.

The old portion of the Almshouse will get a spring cleaning, papering and whitewashing. Three more \$500 Grovers were ordered issued.

The Chief of Police was authorized to notify Mr. John Parker to remove the shed next to Opera-house.

My! My! The Epidemide will have a sprinkling. The Water Committee was instructed to authorize the Water Company to put in a meter and turn the water on to the Fountain, Gee whiz, and there's going to be some new sprays, too, so the city will not have to sprinkle the central portion of the city.

We would like to ask some of the Councilmen what the city has an Almshouse for?

Adjourned.

I consider it not only a pleasure but a duty I owe to my neighbors to tell about the wonderful cure effected in my case by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I was taken very badly with flux and procured a bottle of this remedy. A few doses of it effected a permanent cure. I take pleasure in recommending it to others suffering from that dreadful disease.—J. W. LYNCH, Dorr, W. Va. This remedy is sold by J. Jas. Wood & Son, Druggists.

Mr. Henry Smith, Jr., continues quite ill at his home on Market street.

Be sure you are right. Get LANDRETH'S GARDEN SEED at Chenoweth's Drugstore.

The new residence of Mr. Charles D. Pearce at Second and Lower streets is assuming shape.

County Clerk Clarence Wood and Deputy Clerk Arthur Wood were looking for trouble, when they ran up against a doctor with vaccination in his eye. Their arms are actually out of sight.

Card of Thanks.

We wish to extend our heartfelt thanks to the many friends, especially Mrs. Walther for her untiring attention to our mother, Mrs. Theresa Burgie, during her illness, continuing until she paid her last sad tribute at her grave, and for her beautiful floral offering. We also thank the choir for their lovely singing.

BROTHERS AND SISTERS.

An Epidemic of Whooping Cough.

Last winter during an epidemic of whooping cough my children contracted the disease, having severe coughing spells. We had used Chamberlain's Cough Remedy very successfully for croup and naturally turned to it at that time and found that it relieved the cough and effected a complete cure.—JOHN E. CLIFFORD, Proprietor Norwood House, Norwood, N. Y. This remedy is for sale by J. Jas. Wood & Son, Druggists.

THE STREET FAIR.

That Maysville Is to Have One This Month Is Now Assured.

Maysville's great Street Fair and Industrial Exposition is now an assured go.

Already funds have been subscribed sufficient to justify the promoter in making the above statement.

The object of the Street Fair is to further the business interests of our city by offering free exhibitions and entertainments on a large scale, draw large crowds of money-spending, amusement-seeking visitors from the surrounding towns and country, thus placing us in direct touch with the great buying masses.

The Street Fair is no experiment. Where ever they have been held they have been a success. The thing necessary now is to pull together, talk it up. The efforts of the promoter must be seconded by the united and unselfish support of our merchants and citizens.

Business is the active motor, the general welfare. The motto, not to rob but to encourage our neighbors to come and spend in legitimate ways, is the policy. So put your shoulder to the wheel and let's make a grand success of it. It can be done, and it will rebound to our everlasting good.

Unless a woman eats sufficient nourishing food she can neither gain nor keep a good complexion. Food, when digested, is the base of all health, all strength and all beauty. Herbine will help digest what you eat and give you the clear, bright, beautiful skin of health. Price 50 and 75 cents. J. James Wood & Son.

NEWSY NOTES FROM NATURE'S GREAT HIGHWAY.

River falling above.

The Urania will pass up tonight for Pomeroy.

The Henry M. Stanley passed up last night for Pomeroy.

The light at Logstown Bar No. 2 has been discontinued.

The Queen City will pass up tonight for Pittsburgh and way points.

The Keystone State will pass down tomorrow night from Pittsburgh.

The Avalon was down yesterday from Kanawha with a fine trip. She returns tomorrow night.

The Island Queen made three trips from Cincinnati to New Richmond Sunday and averaged 2,000 passengers each trip. Not bad business for an Ohio river steamer.

The 800 tons of Russia iron sunk in the barge Vidalia on the falls has been bought by parties in Canton, O., who will get it out and erect a plant on the bank near by and galvanize it. The barge will be wrecked.

The conference between the miners and the thick and thin vein coal operators of the Pittsburgh district has been ended without any decision having been reached. This is regarded as a victory for the thin vein operators, inasmuch as the miners of the thick vein (fourth pool) are about ready to strike for an advance in the price of digging. If the fourth and fifth pool miners strike for and win an advance, that is all the thin vein operators wish at present. The mining situation is very much mixed on the Monongahela river at present.

\$100—Reward—\$100.

The reader of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & Co., Toledo, O. Sold by druggists, 75 cents.

BALLENGER, Jeweler and Optician.

The Feast of Bargains in Good CLOTHING!

Men's and Boys' Shoes and Men's Furnishing Goods set before the people through Hechinger's retiring-from-business sale has awakened an interest with the buying community that the conventional clothing sales advertisement make impossible. It is a positive fact that customers from distances as far as 50 miles from Maysville are taking advantage of this sale. It is known that the stock consists of only first class merchandise, and when considered that the reduction of prices enables the public to buy the high class goods; Hechinger & Co. carry for less than ordinary goods sell elsewhere it is no wonder that the storerooms are daily crowded. Thousands of dollars worth of goods that were contracted for before Mr. Hechinger's conclusion to retire from business are daily arriving. They share the same fate of those that were already in stock. They will be marked at prices that will make them sell. On Wednesday our

A TALE OF Silk Waists

These Waists appeal to people who wish extra good things. Others may be interested but not so appreciative. No advertiser can put this offer before you as it should be. To say "Waists below regular price" doesn't do the facts justice because you have no means of knowing what the regular price ought to be—in what the real goodness of the Waists consist. The best that can be done is to give you the bare facts.

THESE WAISTS ARE NEW. Less than six weeks from the maker. Each waist is a style of this minute. The materials are excellent—the work is from a manufacturer who has built up a trade of over a million dollars a year on sheer, honest merit. It is not a jumble of odds and ends—it is a new and stylish collection. The materials are fancy taffetas in chic checks and stripes trimmed in mellowed taffata, satin ribbon and fancy buckles.

BY THE RIGID HUNT STANDARD we would call these Silk Waists most excellent values at \$5 and \$10. There are two qualities. For this price their former companions have sold and sold quickly, but sizes are much broken now and so few Waists remain the eight are yours to choose from at \$6 and \$8. Count material, lining trimmings and making, then see these Waists to fully appreciate their beauty and economic worth.
